 Offense Charge

If accepted, the defendant enters into an agreement for pretrial diversion. Prosecution of the charge will be deferred for a period of time, usually 6 months. If the defendant does not receive any traffic citations or commit any serious traffic or criminal offenses during the period of diversion, the charge will be dismissed. Failure to successfully complete diversion will result in the case being set for trial.

I hereby apply to participate in the Traffic Diversion Program. I waive a speedy trial, and ask for a continuance of any trial for at least 6 months or until completion of the diversion period (with any delay being charged to me). I understand that any trial may be on stipulated facts and that I will not be entitled to present any other evidence. I agree that failure to respond to information sought or the giving of false information in this application are grounds to deny me diversion or to remove me from the program. I admit that I committed the traffic offense alleged in the Uniform Notice to Appear and Complaint.
