BARTON COUNTY SOLID WASTE LANDFILL

CUSTOMER SAFETY AND CONDUCT POLICY

1. Landfill speed limit on all access roads is **20 mph**. Excessive disregard of posted speed limit may result in suspension of permit.
2. Positively **No Smoking** allowed on premises. Landfills generate large amounts of methane gas, which can be explosive!
3. No firearms, alcoholic beverages allowed on premises.
4. Heavy equipment has the right of way at all times.
5. **Scavenging** is not allowed. If observed, law enforcement will be notified and permit will be revoked permanently.
6. Children 13 years of age and younger are required to remain in passenger compartment of vehicle.
7. Vehicles that become disabled must be removed from Landfill property by the close of the business day.
8. All vehicles must have maximum load weights within permitted licensing requirements.
9. Do not approach the landfill compactor or other equipment without being directed to do so by the equipment operator.
10. Landfill staff are required to be polite and courteous to customers. Customers are asked to be polite and courteous to Landfill staff.
