| APPLICANT'S STATEMENT: | | | |
|--|------|----------|--|
| I hereby submit this application for a variance on a water well system. I certify the information presented to the Barton County Environmental Management Division on this application to be factual and true. I further certify, if the application is approved, all systems constructed by myself or my company will be constructed in accordance with the system's permit requirements, the requirements of the Barton County Environmental Management Division and the Barton County Environmental Code; and the applicable city therein. In addition, the Barton County Environmental Management Division will be called for final inspection within a month of the system being placed into operation. | | | |
| Signature of Contractor | Date | OPTIONAL | |
| Signature of Property Owner | Date | REQUIRED | |
| APPROVAL STATEMENT – BARTON COUNTY USE ONLY | | | |
