The agency has seventeen masters level clinicians licensed to provide clinical services such as individual therapy, marital/couples therapy, family therapy, short-term substance abuse therapy (non-intensive), and group therapy for sexual abuse, substance abuse evaluations, anger evaluations, psychological evaluations, and parenting evaluations.

Regular therapy services are initiated by an intake evaluation. Psychological evaluations require a court order or physician's referral. Parenting evaluations require a court order.

Fees for family therapy, group therapy for sexual abuse and substance abuse evaluations are due on the day of the evaluation. All fees for services are based on a sliding fee scale according to income and family size. However, evaluations are the one exception and those fees are a flat rate.

Children's Based Services

5815 Broadway

Great Bend, KS 67530

Contact: Wendy Lockwood

The Children's Based Services (CBS) program provides support to children who experience severe emotional disturbance and their families. Within the CBS program, available services include case management, parent support, attendant care and psychosocial groups. The program operates from a strengths-based approach and utilizes "wraparound" in the treatment planning process. We combine professional support with community resources to meet the needs of the child and family.

Services are accessed through a referral made by the therapist. All services must meet medical necessity guidelines and be indicated in the child's treatment plan.

Children who are at risk of psychiatric hospitalization and meet additional criteria may be eligible for the Home and Community Based Services waiver. This program offers additional services to assist in keeping kids in their home and in their community.

Community volunteers appointed by the court system to monitor and advocate for abused and neglected children.

Appointments to juvenile court cases are made by a juvenile judge. A child must be adjudicated as a "child in need of care" (CINC) by the court. The judge issues an order to assign a volunteer for the child.

Training is provided in the fall to those persons interested in becoming a CASA volunteer. We have a 30 hour independent study course. A volunteer must have background checks and be 21 years old or more.

The Central Kansas Partnership is a prevention coalition of parents, professionals and concerned citizens from Barton, Pawnee, Rice, Stafford, and Rush Counties.

Mission: To join in a common effort to build healthy and safe communities, reduce the risks of Alcohol, Tobacco and other drugs, and promote healthy attitudes and behaviors.

Task Forces:

Alcohol Prevention: Reduce underage drinking and binge drinking by promoting healthy behaviors for youth in Barton County through the All Stars curriculum taught to all Barton County elementary schools. Training is provided for leaders and funding for evaluation and materials. Also media messages in English and Spanish were sent out to educate the community about alcohol prevention, youth suicide prevention, and marijuana.

Be Well Barton County: Implementation of Active Barton through the mast bike and pedestrian plan; access to healthy foods through policy, systems, and environmental changes – SFMNP, Commodity Supplemental Foods Program for Seniors, Farmers Market, and policy changes.

Central Kansas Breastfeeding Coalition: Promote breastfeeding and community resources for breastfeeding women and families; provide community education supporting breastfeeding; and promote statewide initiatives of the Kansas Breastfeeding Coalition.

Chronic Disease Risk Reduction: Reduce exposure to secondhand smoke through Tobacco Free Parks' Policies; prevent initiation of tobacco use among young people by increasing the number of colleges with tobacco free policies; increasing access to healthy foods through the Senior Farmers Market Nutrition Program; and increase physical activity through adoption or implementation of master bike/walk transportation plans.

Suicide Prevention: Build awareness about suicide prevention, depression screening, and community resources as well as the National Suicide Prevention Life Line; and promote healing and remove stigma concerning deaths by suicide.

Human Trafficking Prevention: To educate the community about human trafficking and build awareness of signals of human trafficking occurrence as well as aiming to remove stigma concerning victims of human trafficking.

The purpose of Healing Hearts Ranch is to address the specific needs of children and families who face emotional and behavioral challenges. Whether we are working with individuals or groups, we strive to create a safe environment where emotional growth and healing can take place. We acknowledge that horses can be helpful in the healing process, and we seek to give people opportunities to interact with horses, learn about them, and learn about themselves at the same time. We provide an equine therapy program for children and families who face emotional and behavioral challenges. Other programs include equine-assisted learning, parenting classes, marriage enrichment classes and mentorship.

Juvenile Services operates within the 20th Judicial District (Barton, Ellsworth, Rice, Russell and Stafford Counties) and provides the Kansas Department of Corrections (KDOC) mandated programs including: Juvenile Intake & Assessment, Juvenile Intensive Supervised Probation, and KDOC Case Management. Intake and Assessment has workers on call 24/7, to assess youth detained by law enforcement or on a voluntary basis, in order to determine each child's specific needs and referrals are made accordingly.

KDOC Case Management is responsible for youth placed in the custody of Juvenile Services and will hold juvenile offenders accountable for their behavior and its consequences; and assists youth to live productively and responsibly in their communities.

Other agency programs are: Prevention and Immediate Intervention.

The Prevention Specialist actively identifies the community's priority concerns regarding youth and then seeks ways to help overcome these issues through community, parent and youth education, and offers parenting classes to anyone in the 20th Judicial District.

The Parent Project is a group of parent-training programs for parents raising difficult or out of control children. These parenting classes are open to the public. For updated information go to our Facebook page <https://www.facebook.com/CentralKansasParentProject/>
