B. COUNTY ENGINEER: Kansas Department of Transportation Contract for Preliminary Engineering Design Services by Consultant (Cost Plus Net Fee Agreement) - Project No. 5 C-4965-01:

The Kansas Department of Transportation (KDOT) requests approval of the three party design agreement that includes KDOT, Barton County and TranSystems Corporation. The project involves signing improvements at the intersection of North Washington Avenue and North 30 Road as well as widening the narrow concrete drainage structure on NW 50 Road east of NW 10 Avenue. Barton County must pay the design costs in an amount not to exceed \$77,833.48 and KDOT will reimburse the County 90% of the costs. The net cost to the County after reimbursement is estimated to be \$7,783.35.

Barry McManaman, County Engineer, said the first part of the project is for signage at the North Washington and JUCO road intersection. McManaman said the second half of the project is widening the narrow concrete drainage structure west of cemeteries. The county will need to upfront the entire cost with reimbursement. Anticipated start date is June of 2021.

Commissioner Daily moved to approve the Preliminary Engineering Design Services for KDOT Project No. 5 C-4965-01. Cost of project, \$77,833.48, is to be paid from the Capital Improvement Fund, Road and Bridge Line, 071-00-6335. Reimbursement from KDOT to be credited to the Road and Bridge Fund, Other Refunds and Reimbursements, 002-00-4585.

Commissioner Davis seconded the motion.

All voted aye. Motion passed.
